Mr. L. A. Robb wishes to inform all person visiting Dallas, that his house will be open for the accommodation of all who desire good Board and Lodging during Court week.

THANKSGIVING DAY .- Rev. D. L. Spaulding wishes us to inform the public that there will be Preaching and other Religious Services on Thanksgiving Day, at 11 a. m, at the M. E. Church, Dallas.

We beg to call the attention of the public to the New and Extensive Stock of Fall and Winter Goods just arrived, which are being sold at extremely low rates, by Messrs. N. & J D. Lee. The public will do well to pay them a visit. Their new Advertisement will be found on page two of this issue.

SMALL POX .- We are informed by a gentleman just from the neighborhood of Solt Creek, in this county, that Miss Kerkendol, who has the small pox, in the same house where Mr. Frederick died in has almost recovered. The a centleman also states that the other case of reported small pox in his neighborhood turns out to be chicken pox.

We have been favored with a sample of very fine, large white and red kidney potatoes, grown on Salt Creek in this county, by Mr. E. A. Graham. He informs us that nine of them made up a half bushel, which, from their immense size, cannot be doubted. They will be kept at our office for a few days, in order to give those interested in such matters an opporwaity of seeing them .

We notice with pleasure the disposition exhibited by several of our citizens to accommo date those who may have occasion to visit us "Court week," commencing on Monday next. We call attention to the names of Messrs S. C. Stiles and L. A. Robb, whose notices will be found in another place, and to Mr. Sebring. and also to our old friend Uncle Tommy (Mr Lovelady), where will always be found, as we have testified from long experience. cleanliness, cheerfulness and good substantial fare, and more of the creature comforts than can often be found outside of our "own palaces"-and the charges are very reasonable.

At early dawn on Monday morning last four of our prominent citizens, Messrs. Sullivan McCain, Butler and Caterlin, left Dallas for Lafayette, Yambill County, the three tormer to attend to business at the Court, which held thing at all. session there this week, the latter to attend to his own business. They were driven to the scene is situated at the railroad crossing of of actien by our obliging friend Ed. Clark. mill creek, about seven miles southerly who was ready on time with his thoroughbrace from Salem. Passenger cars now run to who have occur avored by nature with strong wagon and smart grey team. We sincerely hope this point, and the road is finished (or that he exercised his usual care in transporting at least the track is laid) about half these precious endowments. Indeed, as a rule a freight so precious to its destination, and that he will be on hand at the time appointed (Friday or Saturday), and land them safely again at the place from whence they started; for it would be too much to expect that the quiet, peaceable, sober and law abidting citizens of Dallas could long endure the absence of so many of their Legal Advisers.

### Accom modations.

All persons visiting Dallas will find a good bed on which to rest and get a number one meal of victuals, by calling on S. C. Stiles. No pains will be spared to make you comfortable. Tired or hungry, go to Samuel C. Stiles and you will get your money's worth and more.

"SPALDING'S GDUE," useful and true.

The Word " Sozodont," Which is fast becoming a household word, derived from the Greek, and composed of two of the physicians over there call it smallwerds, Sozo and Opontes. "Sozo," translated means to preserve, and "Odontes," the teeth. Sozonont, a preserver of the teeth. And it is true to its name.
